

Prenatal Screening 2010 Estimated Fees

Nuchal Translucency	300.00
2 Venipuncture	50.00
<u>ARUP Lab analysis</u>	<u>500.00</u>
Total screening estimate	\$ 850.00
YVMH Genetic counseling* (if positive screen)	 \$ 175.00

The above fees vary by provider, and your contract with a lab.

Fees are billed to Medicaid and private insurance. Amounts not paid by private insurance are billed to patients. (**Patients may apply for YVMH charity funds for assistance with an unpaid YVMH genetic counseling balance.*)

Patients without health insurance may receive help with applying for Medicaid by contacting **First Steps at 509-575-8160**. First Steps also provides preventive education to support healthy pregnancies and preparation for parenting.
